## Exhibition overview

The European Association for the Study of Diabetes (EASD) was founded in Italy in 1965. Its mission is to promote excellence in diabetes care through research and education. There are over 7000 members from over 100 countries - including scientists, physicians, laboratory workers, nurses and students. Active members receive *Diabetologica*, the official journal of the Association.

The Annual Meeting of the Association is held in a different European city each year. In 2014, it will take place in September in Vienna, Austria.
